

SHARED Futures

 Supporting the integration of refugee children and young people in school and the wider community

Are you a school, voluntary or community organisation, or youth setting working with young refugees?

Do you want to work with **SHARED Futures** to develop a project that can welcome new arrivals and promote community cohesion?

SHARED Futures

SHARED Futures is a DVD and resource pack that promotes the integration of refugee children and young people in school and the wider community. The **SHARED Futures** DVD showcases effective practice from across the UK. The resource pack provides guidance and training workshop activities linked to the DVD.

New Projects

In 2009 and 2010 **SHARED Futures** has funding from Comic Relief to work with new project partners across the UK.

If you are a school, voluntary or community organisation, or youth work setting and would like to develop a creative and innovative project we would like to hear from you.

SHARED Futures can help projects to support the integration and well-being of refugees and promote community cohesion. We are looking for partners in England, Northern Ireland, Scotland and Wales.

SHARED Futures will:

- support you to plan and develop your project
- assist with costs
- support the participation of children and young people
- work with you to document and disseminate the outcomes and learning of your project.

More information and application forms can be downloaded from the **SHARED Futures** website:
